

# California Incident Command Certification System

## **CRITERIA**

All applicants **MUST** meet current requirements using the CICCIS adopted January 2000 edition of National Wildfire Coordinating Group Wildland Qualifications Guide 310-1 or California Incident Command Certification System equivalencies.

Verifying official **MUST** verify requirements are true and correct, utilizing the CICCIS Application Form.

Verifying official **MUST** verify experience for the position for which the applicant is applying, (Within the last 5 years, 3 years for aviation and dispatch positions) utilizing the CICCIS Application-Experience.

All applicants **MUST** record pertinent training courses for the applied for position, utilizing the CICCIS Application-Training.

## **HOW TO APPLY**

SEPARATE APPLICATIONS MUST BE SUBMITTED FOR EACH POSITION FOR WHICH AN APPLICANT DESIRES TO APPLY.

Application consists of:

1. Completed Application Form with all appropriate signatures.
2. Completed Experience.
3. Completed Training with attached copies of course completion certificates.
4. Completed Position Task Book or documentation of historical experience that demonstrates the knowledge, skills and abilities for the applied for position.
5. An original letter on Department letterhead and signed by the Fire Chief (or designee), describing the applicant's specific background as it relates to the occupational experience requirement, must be included.

Applicants seeking 100/200 level certifications should submit applications to their Fire Chief. Note: Attached Incident Qualifications.

Applicants seeking 300 level certification should submit applications to their OES Operational Area Coordinator.

Applicants seeking 400 level certification should submit applications to their OES Regional Coordinator.

Applicants seeking 500/600 level certifications should submit applications to the PACE V Committee through State Fire Training.

## **Refer questions to:**

The Governors Office of Emergency Services, Fire and Rescue Branch, Assistant Chief from the appropriate Mutual Aid Region or State Fire Training.
